INTRODUCTION

The Wood Buffalo Excellence in Arts Awards, lovingly nicknamed the Buffys, launched in 2016 to recognize and celebrate excellence in various arts disciplines throughout the Wood Buffalo region.

Each year, the Buffys recipients are announced at a gala. This event builds awareness of the incredible contribution artists make to our community and creates opportunities for local artists to showcase their work.

The recognition received by each nominee and award recipient serves to raise their profile, help build their portfolios, and allow them opportunities to compete and thrive as an artist within our community and beyond.

ABOUT THE PROGRAM

The Wood Buffalo Excellence in Arts Awards program focuses on four core goals:

CAPACITY-BUILDING

Supporting artists with the resources and tools needed to thrive through a nomination process that helps them learn how to market themselves. The process helps them build an artistic toolkit, which can be used to apply for future grants, recognition programs, educational and work opportunities .

PEER-REVIEW

Creating an opportunity for local artists to have their work reviewed by professionals in various artistic disciplines through the adjudication process.

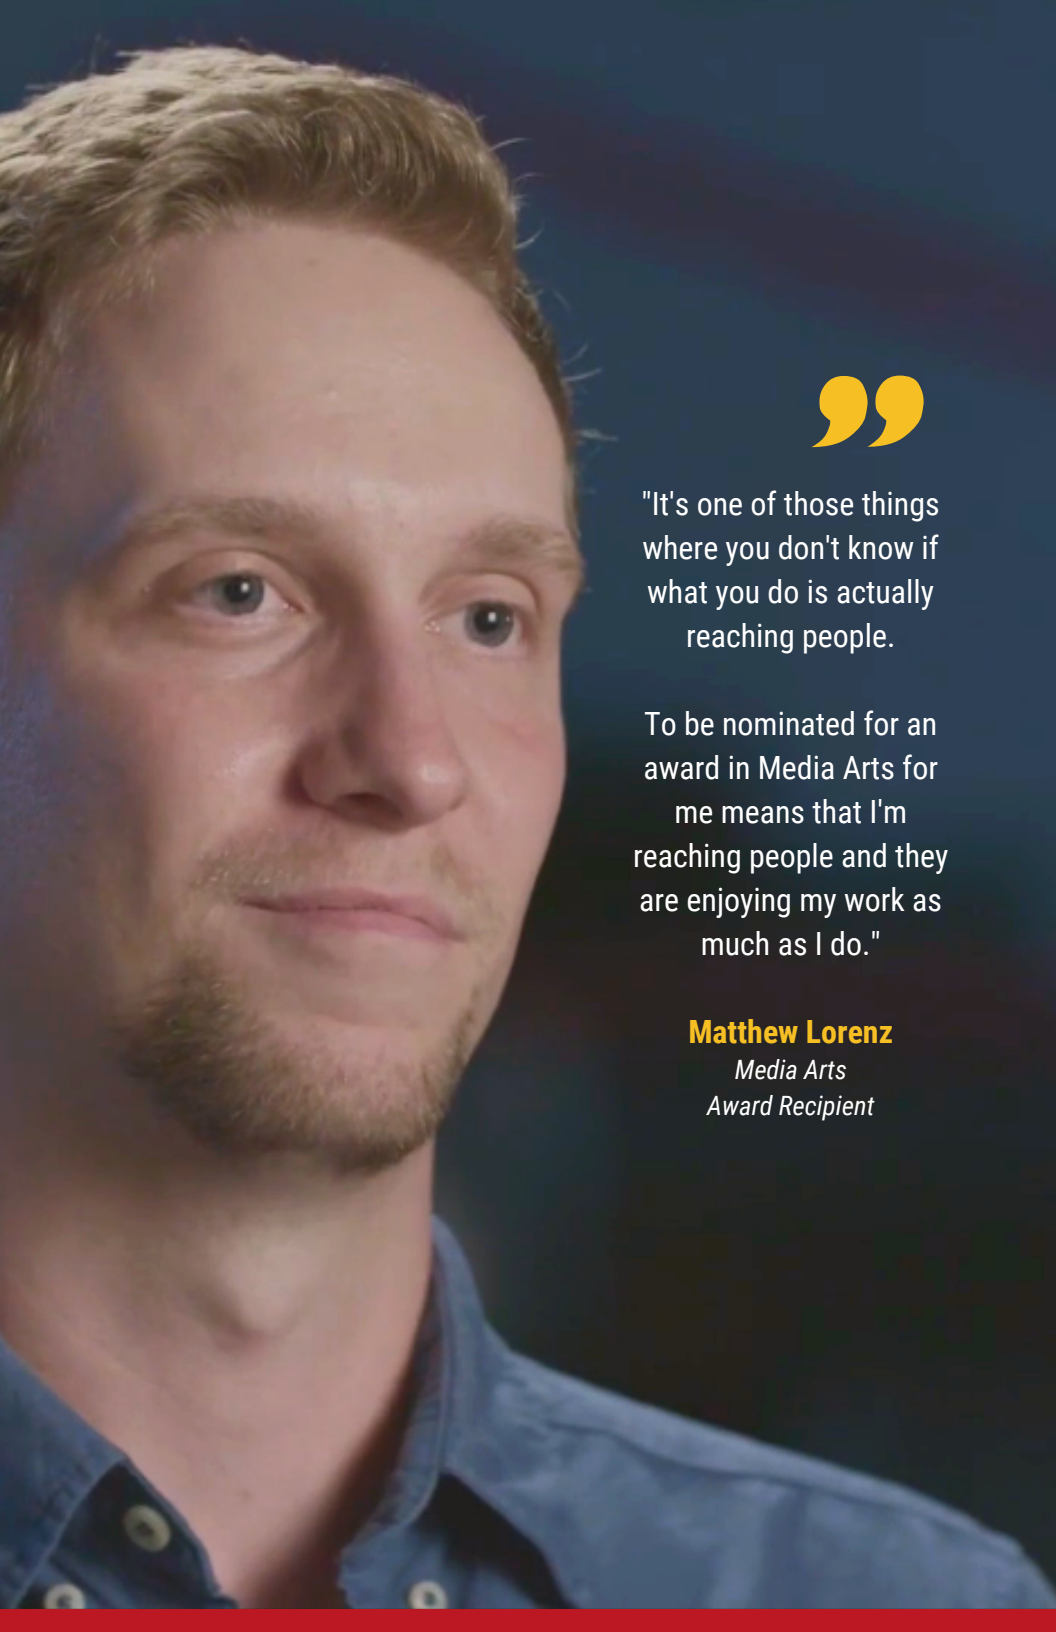

NETWORKING

Providing artists with a space to engage with one another, fostering new opportunities for collaboration through the Awards Showcase event.

BUILDING AWARENESS

Raising the profile of artists' value in the community through a promotional campaign and showcase event designed to educate the public and connect residents with talent available for hire in our region.

”

"It's one of those things where you don't know if what you do is actually reaching people.

To be nominated for an award in Media Arts for me means that I'm reaching people and they are enjoying my work as much as I do."

"Receiving a Buffy in 2018 meant a lot to me. It helped me to move forward with my art form.

I believe that every artist has their own wings; they can fly anywhere, any time.

When I moved to Wood Buffalo, I had my own wings. I had the skills, passion and drive to create. But I had no space to fly.

The Buffys gave me the space I needed to overcome these challenges and fly."

"Whenever someone recognizes
your work, it's always a nice
feeling.

I know when I see artwork that I
like, and I get to meet the artist
themselves, it's always a pleasure.

So for someone to step out and
say "I'm going to nominate this
artist, because I think they
deserve it..."

...it's an amazing feeling."

ACCOMODATIONS TO SUPPORT EQUITY

Arts Council celebrates and supports diversity, and is committed to creating an inclusive environment for all, free of barriers and discrimination. We are committed to providing programs that are accessible and barrier free.

We welcome the unique contributions all artists make towards the arts community in terms of education, opinions, and culture, and all eligible nominees will receive consideration for their respective award categories, without regard to ability, race, religion, beliefs, colour, national origin, sex, sexual orientation, gender, gender identity, gender expression, age, veteran status, or status as an individual with a disability among other things.

Arts Council hopes to build local artist capacity by paralleling a nominations process that is adopted by the wider arts communities across Canada and the world. However, we also recognize that this process may be stressful to some.

Any artists who may be struggling to complete their nomination in any way are encouraged to reach out for help.

Arts Council staff may review your entry prior to submission, as they do not participate in the adjudication process. For more information or support on this or any part of the nominations process, please contact the Programs Team at **programs@artscouncilwb.ca** or by phone **587-674-1625**.

ORAL SUBMISSIONS

In an attempt to honour the oral tradition for Indigenous Artists, Arts Council has created an option for artists to submit their entries orally as a recorded audio file.

This audio file will not be transcribed to text. It will be presented to the Buffys adjudicators in its recorded form, so that it is received in the voice of the nominee, as originally intended.

While this accessibility support was created with Indigenous Artists in mind, it is available to all artists who may wish to submit their entry orally.

INTERESTED NOMINEES SHOULD PREPARE THE FOLLOWING:

- Contact the Programs Team for a list of questions to be answered orally
- Record responses to these (on your phone works!) and send it to the Programs Team. Please ensure that this recording is no more than 5 minutes in length.
- Share 3 photos of support material with Programs Team.
